We will try to work with all out of town teams to accommodate scheduling, however, we ask that some flexibility be allowed as there are limited time slots for this league. Please contact Tony Henson, Hopkinsville Sportsplex Facility Coordinator at 270-348-6033 with any concerns about scheduling. **Once schedules are complete, we cannot guarantee changes.**

Build your own roster and compete.

\$475 per team in the Middle school – High school leagues (Up to 16 players per roster. No roster changes after the first game)

Team provides their own shirts, shirts must be of same color. Numbers are preferred.

Players can only play on 1 team in a division. You may play in the same age co-ed and gender specific leagues if offered.

2022-23 Leagues will be:

- **Middle School** – All players must not be beyond the age of 14 or in a grade higher than 8th
- **Junior Varsity** – All players must not be beyond the age of 16 or in a grade higher than 10th
- **Varsity** – All players must not be beyond that age of 18, and not have graduated from high school

All rosters must be turned in prior to a team's first game. Roster changes will only be made under extreme circumstances and will be to the Sportsplex management's discretion. All fees are due prior to a team's first game. A player cannot change teams within a division after they have played one game.

It is our plan to start the league early November and plan to have Championships early January. End of season will depend on number of teams playing.

ALL GAMES WILL BE 7 V 7 INCLUDING THE GOALKEEPER.
