2022-2023 JR PRO BASKETBALL

CODE OF CONDUCT AND SPORTSPLEX RULES

CODE OF CONDUCT

The Jr. Pro at the Plex Code of Conduct requires parents, coaches and all spectators to allow the players to play in an environment free from criticism of players or officials. In addition, any altercation between players or spectators, be it verbal or physical, will not be tolerated at any time.

Jr. Pro at the Plex is a youth basketball recreation program geared towards instruction and enjoyment of the game. As such, games and practices should take place in a supportive environment free from distractions and unnecessary tension. Spectators should not talk to officials. Coaches, players, parents, or any other spectator should not verbally or visually create an undesirable atmosphere.

Deviation from this policy is grounds for expulsion from the league, immediate removal from the facility, and/or prohibition from attending future games and practices. In any case, there will be no refunds issued.

PLAYERS:

- Respect the game, play fairly and follow its rules and regulations
- Show respect for authority to the officials of the game and of the league
- Demonstrate good sportsmanship before, during and after games
- Be courteous to opposing teams and treat all players and coaches with respect
- Be modest when successful and gracious in defeat
- Respect the privilege of the use of facilities used not only inside the Sportsplex, but parking lot and “conference center campus” facilities, as well
- Refrain from the use of drugs, tobacco, alcohol and abusive language

PARENTS/GUARDIANS:

- Encourage good sportsmanship by demonstrating positive support for all players, coaches, fans and officials at games, practices and other sporting events
- Advocate a sports environment for all children that is free of drugs, tobacco, alcohol and abusive language, and refrain from their use during youth sporting events
- Encourage all children to play by the rules and respect the rights of other players, coaches, fans and officials
- Support all the student athletes in an environment of mutual respect and civility
- Please always keep in mind that the players are grade-school children trying to learn the game and the team concept, improve their skills and learn life lessons. They are NOT playing for the entertainment of the spectators

COACHES:

- Recognize that coaches are role models for their team members and all participants involved in the activity, and that basketball helps to develop a sense of teamwork, self-worth and sportsmanship
- Place the emotional and physical well-being of players ahead of a personal desire or external pressure to win
- Do your best to provide a safe playing environment for all participants
- Lead by example by demonstrating fair play and sportsmanship to all involved
- Provide an environment for your team that is free of drugs, tobacco, alcohol and abusive language and refrain from their use at all sporting events
- Respect the game and the Jr. Pro at the Plex league officials, and communicate with them in an appropriate manner
- Be knowledgeable of the league rules and regulations

GENERAL SPORTSPLEX RULES DURING JR. PRO AT THE PLEX GAMES

- No outside food or drink allowed inside the building by anyone (other than water for players)
- Do not bounce basketballs unless you are playing in or warming up for a game; dribbling and bouncing of balls on the sidelines and/or off walls, in bathroom, down hallways, etc. is prohibited
- No shooting/dribbling basketballs during timeouts, halftime, etc. during a game you are not playing in
- Keep wet shoes/boots off the gym floors; this is the primary cause of injuries
- Clean up after yourself and your players/children, whether this is at/near your seat or the players’ bench; please do not leave wrappers and containers behind after you or your child is done playing
- Any violations of the Code of Conduct could result in suspension from attending games/practices or expulsion from the league and/or facilities without registration and/or admission refund
- If issues arise during the season that you believe need to be brought to the attention of the league, please first talk to the appropriate coach; if the coach cannot resolve the situation or provide a satisfactory explanation, then please contact the coordinator for the level in question

These rules were compiled by the Jr. Pro at the Plex Committee, using a variation of the USA Youth Basketball guidelines as the basis for the Fall/Winter 2022-23 rules and regulations. A copy of the rules will be left at each scorer's tables during every game. All rules are final and are not open to interpretation.
